

SUMMER STUDY ABROAD FOR HIGH SCHOOL STUDENTS

*Welcome to the Summer Study Abroad program with your host, Saint Francis University.
High School students have the option to earn three Saint Francis University credits studying
Fine Arts in Ambialet, France or studying Religion Gaming, Austria.*

Ambialet, France

June 7 – 16, 2019

FINE ARTS IN AMBIALET, FRANCE

The first week option is the program in southwestern France. Students are housed in the priory of Ambialet, where the University operates its semester-long study abroad program. The students will experience the wonders of the region - castles, chateaux, ruins, quaint medieval hill-top villages, stunning views, and awe-inspiring cathedrals. The University's renovated facility is perched on a hilltop overlooking the village of Ambialet and the Tarn River. Students will become acquainted with the culture and people of France, thus allowing them to experience intellectual, linguistic, personal and spiritual growth.

The Ambialet program offers three Saint Francis University credits in Fine Arts; a dual enrollment course. The course will begin with a mandatory pre-departure meeting before students travel to Europe and conclude with a submission of a final project. While in Europe, the course work will take students on awe-inspiring excursions.

Prior: Purchase text/begin readings for course
TBA: Pre-departure class for students/ parent/guardian meeting
Day 1: Bus to airport and flight to France
Day 2-9: Class; multiple excursions; outdoor adventures; Mass
Day 10: Depart to return to US
TBA: Final projects due

Gaming, Austria

June 16 – 25, 2019

RELIGION IN GAMING, AUSTRIA

The second week option is offered in the foothills of the Austrian Alps. The home for this program is the monastery of Gaming, where Franciscan University of Steubenville operates its semester-long program. The monastery has been restored to its original Baroque splendor. Students will experience an integration of intellectual, cultural, and spiritual life while participating on awe-inspiring excursions. The program provides experiences within a different culture while deepening student's love for creation, God and the Catholic Church.

The Gaming program offers three Saint Francis University credits in Religion; a dual enrollment course. The course will begin with a mandatory pre-departure meeting before students travel to Europe and conclude with a submission of a final project. While in Europe, the course work will take students on awe-inspiring excursions.
